Case Closed -- Currently Not Collectible

We temporarily closed your collection case for the tax types and periods listed below. We determined you don't have the ability to pay the money you owe at this time.

Although we have temporarily closed your case, you still owe the money to the IRS. We may re-open your case in the future if your financial situation improves. Because you still owe money, we will continue to add penalties and interest to your account and it will be subject to other adjustments and offsets, such as applying future tax refunds to the amount you owe.

You don't need to take any action at this time. However, it is very important that you file all future tax returns and pay any amounts you owe on time. It is to your advantage to make voluntary payments towards the amount you owe, if possible, to minimize additional penalties and interest.

If you have any questions you can call us at 1-800-829-1040 (individuals) or 1-800-829-4933 (businesses). For non-case-related questions, you can visit our website at www.irs.gov.

Thank you for your cooperation.

Sincerely,

[Redacted]
